

Hello to all parents and families

Once again, the SRC is working in conjunction with *Need a Feed*, a local charity run voluntarily, to collect food and personal care donations for needy local families in the lead up to Christmas.

We have had remarkable success in previous years and we are hoping to build on that in 2020.

The school is again a collection point and a promotional campaign has begun, seeking the help of students and their families in bringing in food and personal care items for this worthy cause over the coming 3 weeks.

On the reverse side of this sheet is a list of the most commonly-sought items.

OUR REQUEST OF YOU:

Please keep in mind a couple of the items from the list next time you go shopping. It is possible to only spend a few dollars for 2 items (or more in some cases). Obviously, there are more expensive items on the list, too.

If you would consider donating, all you need to do is:

- Send the items with **students to drop off in the orange bin near the Deputy Principals' offices**

Any help you can provide is greatly appreciated by Need a Feed and by the school.

Sincerely

B. Pember (on behalf of SRC)

See reverse side for list of suitable items.....
