Year 12 Graduation

Congratulations to all Year 12 students and their family and friends, and of course their teachers. Year 12 graduated on the last Friday of Term 3, which was a fabulous celebration of their 13 years at school.

Developing Future Leaders Program

On the first Tuesday of this term, Bulli HS and our 9 partner primary schools came together to acknowledge and recognise the students from each of our schools for their part in the combined leadership program. Once again, supported by the Austinmer/Thirroul Lions Club, each school team led a program within their respective schools. Throughout 2018 students have learned about and developed their leadership working closely in teams and with Year 9 students from Bulli HS. Thank you to all schools for their commitment to this outstanding program coordinated by Mr Nik Brankovic, Mrs Leanne Bush and Mr Jackson Philp from Bulli HS, Waniora PS and Austinmer PS respectively.

Congratulations

Last week Bulli HS Careers Adviser, Mr Richard Harding, was honoured in Sydney as the recipient of the Hilary Bolin Award for 2018. The award is given by the Careers Advisors Association of NSW and ACT. This award is considered to be the most prestigious award of the night and acknowledges the contribution of Careers Advisors who have worked behind the scenes to further the aims of the associations and the development of careers education. There are over 350 Careers Advisors in the CAA and this is an award that comes from colleagues who know and understand the amount of work Richard does and the dedication he shows. Richard has been instrumental in the development of the Careers Advisors Special Interest Group and the Careers Advisors Advocacy Group.

School Leadership Team

Congratulations to the Bulli HS 2019 Student Leadership Team. I am very confident that this group of young leaders will bring much to their roles. The team is:

Captains	Vice Captains	Senior Executive
Ellen Couch Louis Donovan	Dakota Tawse Jack Essenstam	Olivia Fraser Tyson Bricknell

Term 4

Parents and students are reminded of the need for all students to attend each and every day of school right up to the end of the year. Wearing of full school uniform is also expected including all black shoes and white socks.

Subject Fees and School Contributions

Thank you very much to all of our families for your ongoing support, which makes a huge difference to the learning materials and facilities we can provide for our students. Families experiencing financial difficulties are encouraged to contact the school to discuss financial assistance or a payment plan. All payments can be made by accessing Parents Online Payments (POP) on the school website. Families with outstanding fees/contributions will receive an up-to-date invoice over the next couple of weeks to enable payment to be made. In December, all students will be given the opportunity to ensure all books and resources are returned to the school, and all outstanding fees and contributions have been paid. Once again, thank you for your support.

FAREWELL YEAR 12 2018

As I type this message the very last of our 2018 HSC exams is taking place in the school Hall. The class of 2018 can now enjoy their hard earned break while eagerly awaiting their HSC results in December.

I would like to acknowledge the effort and dedication of Year 12's teachers and also Mrs Helen Dawes and her team who have calmly and ably supervised the HSC exams over the past four weeks.

Final sign-out for Year 12 will be held in Studio B on Monday morning from 9-11am. Students should return all school books or equipment and settle their accounts.

Next Wednesday evening is the Formal, where the students and staff can celebrate in fine style!

Best wishes to our graduating class.

BULLI STUDENTS SEEKING HIGH HONOURS FOR CHRISTMAS

Callum Christensen, Kasey Hargreaves and Darci Air are all looking forward to early Christmas presents this year. They are all participating in high level competitions during December.

Darci and Kasey are representing Bulli High School at the Australian Junior Surf Titles U 19 Schools Division in South Australia and Callum is heading off to Fiji to play soccer for the NSW U15's representative team in the Fiji Cup.

Kasey and Darci were successful at firstly regional and then State competitions before making it through to the Australian titles. Their event is a team event where their combined scores for their best waves will be used to determine places.

Callum who normally plays striker for the University of Wollongong team is excited about going but for this week is concentrating on his upcoming final exams.

I am sure you will join me in wishing them lots of success. Well done!

POP UP GLOBE THEATRE EXCURSION

Ms Powell and I had the great pleasure of accompanying 54 students from 7R, 7S and 8P to the Pop Up Globe Theatre's production of 'A Midsummer Night's Dream' on Monday 29th October. Despite some light rain on our way to the venue at Moore Park's Entertainment Quarter, the skies cleared just before show time. Thankfully, we were not groundlings so we were able to take our seats about 15 metres from where the action would occur. Then, the trumpets and cannon heralded the beginning of the play. We were then transported to the 17th century as, in traditional Shakespearean style, the audience was entertained by a great cast of mischievous fairies, love-struck Athenians and well-intentioned Mechanicals. There were so many highlights to the performance, but some of the crowd favourites included the transformation of Nick Bottom into a donkey, the talking Wall and the scene with Pyramus and Thisbe. The latter saw lots of fake blood splattered over the audience. (I apologise for the additional laundry that may have been required that evening!) On the trip home, it was clear that everyone had a fantastic experience. I would like to congratulate all the students on their excellent behaviour throughout the excursion.

Ms Heather Gardiner
Head Teacher English

Science

We have commenced the examination period for our junior years. The date for the Year 7 Semester examination will be either Tuesday 13th or Thursday 15th November depending on the timetabled Science lessons. Students are to ask their teacher if they are unsure of the date their class will be doing the task. They must bring all equipment such as pens, pencils, ruler, eraser and calculator.

Completion of Semester examinations for Years 8-10 this week definitely does not signify the end of the coursework! Year 7 and 9 will continue with their Living World module, moving on to the Ecology topic. Year 8 will complete the Chemical World syllabus and then some of the classes will learn about Machines and others will do a Lifestyle Science topic. Year 10 classes will complete a Forensic Science module or will undertake extension Chemistry work. This will keep us busy all the way to the end of the term!

Year 11 have settled into their Year 12 coursework. To be successful in Science subjects at HSC requires a consistent approach to revision and consolidation of the coursework. All our subjects are rich in content and a deep knowledge and understanding is required for a high band result. We advise that students read and learn their notes and then begin to refine their examination technique.

Marine Studies have begun their unit of work on Snorkelling and are reminded to bring their gear on the days nominated by their teacher so that they can go and practise their skills.

On Thursday 25th October, Year 10 Marine Studies students went on an excursion to Lake Illawarra to complete the training for their boat licence. This was an enjoyable day out for those students who attended and a great opportunity to put their theory knowledge into practice. This is one of the many wonderful unique experiences our students have on offer at Bulli High School. Thank you to Mr McKenzie for his organisation of this excursion.

HSIE

INTRODUCTION

The first month of term 4 has flown by and we are well into the completion of final examinations and assessments for the year. Of particular note this term has been the start of New Year 12 courses in HSIE. Ancient History, Modern History and Extension history have all entered their first year as revamped curriculum and we are excited to deliver what we believe are some fantastic topics. We are also excited to open our flexible learning hub that will act as a commerce/business based room to inspire and motivate students to think outside the box and provide an opportunity to work in a different environment. Once the room is complete we will provide a comprehensive update of how we plan to use it in the long term.

ABORIGINAL STUDIES – CULTURAL TRIP TO ARMIDALE

During the last school holidays Miss Hicks, Ms Tuck and Mr Dixon accompanied the Year 11 Aboriginal Studies class as well as some select Year 9 students on a cultural experience to Armidale and surrounding areas.

Early on the second Monday of the holiday's students and teachers boarded a train for the 8 hour (10 depending on which student you ask) journey to Armidale. Whilst Mr Dixon and Miss Hicks eagerly consumed copious amounts of coffee in preparation, students began excitedly discussing what they were most looking forward to over the next 4 days.

DAY 1

The majority of the first day was taken up by travel. When we finally arrived at our hotel in Armidale there wasn't much else to do other than have dinner, take a walk to the town centre and then head off to bed for what would be a huge day on Tuesday.

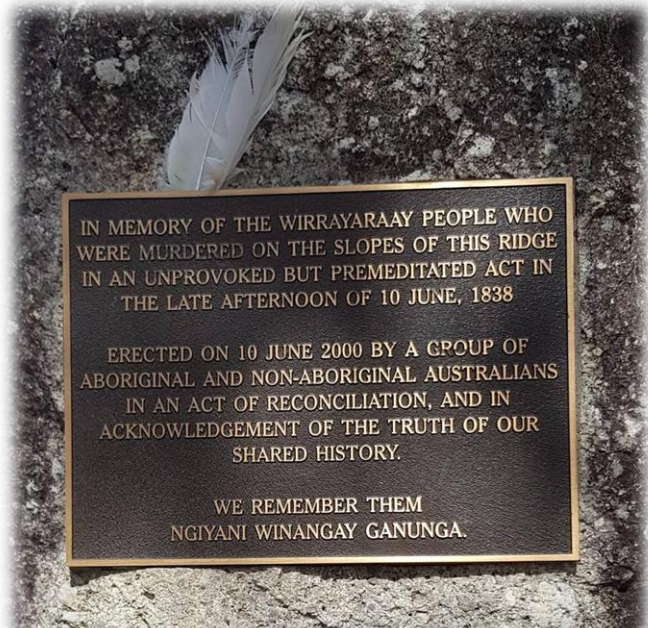

HSIE - continued

DAY 2

Tuesday proved to be an incredible eye opening experience that students and teachers alike will remember for a long time. First of all we visited Tingha, a fairly remote community with a large Aboriginal population. We discussed some of the social and cultural issues associated with such a community as well as some of the obstacles that residents might face. The highlight was visiting a massive pool that was a beautiful aqua colour from the natural minerals under the surface. This pool had been constructed with the assistance of former footballer Nathan Blacklock (one of Tingha's most famous members). We also discussed the importance of the pool for the youth of Tingha and what it actually provided them besides a place to swim on a hot day.

Visiting the site of the Myall Creek Massacre was a humbling experience that really opened up and highlighted the importance of Aboriginal education and not just in schools. As we walked the path reading about the horrible events that took place, students gained an understanding of a very dark part of Australian history. There was an eerie silence and an overwhelming feeling of sadness that fell upon the group as we reached the actual site of the massacre. Students were given the opportunity to sign a guest book that had been set up. For students of Aboriginal Studies the chance to visit such a place was invaluable and provided a rare opportunity to connect with the curriculum on a much more meaningful level.

Emotionally drained we hopped back on the bus and headed back to the hotel where Mr Dixon cooked up one of the all-time great bbqs.

HSIE - continued

DAY 3

Wednesday threw up many very welcome surprises. What was supposed to be an exploration of local communities and sites turned into a culture and social experience that would be led by Nathan Blacklock.

The first half of the day saw students visit the University of New England for a tour of the campus and in particular the Aboriginal Education centre. Students were given a guided tour and talk from lecturers on how the university supports indigenous students and what was on offer to them. We then took a tour of the library and the natural history museum. After a picnic lunch we headed for Tamworth where we met Nathan. He took us to the Tamworth Youth Centre where we were told stories of the Dreaming, sang songs in the local aboriginal language and discussed many issues relevant to Aboriginal people living in country NSW. To be given such an intimate insight into a community was incredible and doing justice to this experience is impossible in a simple report. We finished our final day by having dinner with Nathan and his family. We could not have been more thankful for the time and effort Nathan put in to making our experience so memorable.

DAY 4

Thursday saw students and teachers up early once again in preparation for the long train trip home. We recounted many stories from the past few days and there is no doubt that Miss Hicks and her Aboriginal Studies class have a distinct advantage going into the HSC. Students were also given an impromptu poetry lesson from Mr Dixon which (almost) everyone appreciated.

As Head Teacher of HSIE it was an absolute pleasure to attend. I would like to thank the students for their impeccable behaviour and willingness to get as much out of the trip as possible. Thank you to the parents of those students who attended for supporting us in our attempt to provide an experience outside of the normal classroom environment. Thank you to Kara Tuck for accompanying us on our trip and providing her knowledge and understanding of important topics and of course a final massive thank you to Miss Hicks whose dedication to education and in particular her Aboriginal Studies class is immense.

Head Teacher HSIE

CAPA

Congratulations to the Year 12 Visual Arts students, who have worked so hard over the past year to complete their Bodies of Work for the Higher School Certificate. The CAPA staff are very proud of their efforts and wish them all the success for the coming examinations. The schools annual HSC Art Exhibition was held on Monday the 3rd of September and was well attended by students, parents, teachers and members of the community. We would also like to thank everyone who came to the exhibition despite the wet weather and all the student's families and staff at Bulli High School for their continued support of the Visual Arts students over the past few weeks.

CAPA – continued

It is the beginning of a busy Term for the CAPA and LOTE departments with lots of activity and the culmination of some extraordinary efforts by HSC students.

The CAPA staff would like to extend congratulations to French, Visual Arts and Music students who have finished their examinations and we look forward to hearing about their achievements over the coming months!

We have also postponed the schools annual 'Film Night' until 2019. This decision was made based on Staff availability and we look forward to a bumper night in 2019 with two years worth of student talent to showcase!

Auditions are currently open for Twilight Zone, catch up the music teachers for an application form, we look forward to seeing you there.

Aboriginal Education

It is hard to believe that we are already in Week 4 of Term 4. Bulli High School has many highlights to share in this newsletter including student recognition, sporting accomplishments and cultural achievements.

AUSTRALIAN INDIGENOUS MENTORING EXPERIENCE (AIME)

All students in Years 7-12 have now completed the 2018 AIME program at the University of Wollongong. The students had the opportunity to work with a mentor alongside of many other schools within the Illawarra. The AIME program supports students throughout high school and provides cultural links for all students in a relaxed atmosphere. It encourages students to step out of their comfort zone and challenge themselves. AIME is a fantastic program that empowers the students.

ABORIGINAL STUDIES TRIP TO ARMIDALE

Although this has been covered in detail in this newsletter, I wanted to add that I was extremely proud and honoured to take the Aboriginal Studies class along with two of the Year 9 students to Armidale during the holidays. The trip enabled the students to gain a deeper understanding of cultural knowledge, the social issues that Aboriginal people face on a regular basis and the importance of reconciliation. I want to thank those students that attended for their impeccable behaviour and the cultural respect they displayed.

DEADLY AWARDS

It is with great pleasure that Bulli High School recognises the two Deadly Awards recipients of 2018. Annabel McDonald was recognised for her contribution to the community especially in Rugby league and Oz Tag. Coby McDougall was awarded for his academic achievements and contributions to the school community. The Deadly Awards are run by the Northern Illawarra Aboriginal Education Consultancy Group and held at Waniora Public School. A huge thank you to Tamsyn, Vida Rae, Jack, Juttaguy, Sian and Coby for their assistance with the preparation and delivery of food to the award ceremony.

NORTHERN ILLAWARRA AECG

Last week Tamsyn Allen, Vida-Rae Kennedy-Gough, Ruby Garcia and Dakota Tawse attended the NIAECG meeting held at Wollongong High School of the Performing Arts (WHSPA). The students presented along with myself as a Deadly Highlight. The girls spoke about what it meant to them to be in the Stage 6 Aboriginal Studies class and the trip to Armidale during the October holidays.

The girls have agreed to take up the opportunity to help form a Northern Illawarra Junior AECG. This is a huge responsibility and commitment that will provide a wonderful chance for them to work with fellow schools and establish meaningful connections.

Congratulations to Annabel McDonald who last week represented Australian Indigenous Oztag 16 Girls at the World Cup in Coffs Harbour last week. The team finished 2nd in the world and Annabel came home with a silver medal.

As you can see we have been extremely busy and look forward to sharing with you more highlights in the next newsletter.

School Student Transport Scheme

School student applications for 2019 open from Monday, 15th October 2018.

Students progressing to Year 3 and Year 7 **do not** need to re-apply if they:

- Are continuing at the same school
- Are residing at the same address
- Have not been sent an expiry notification from Transport for NSW

Where a student meets the new distance eligibility, the system will automatically update their entitlement. If they do not meet the new eligibility, they will receive an expiry notification.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

Term Bus Pass holders will receive a notification to re-apply.

If students need to update their information or re-apply, they should go online to:

<https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before 31 December 2018 to ensure student entitlements are updated and their current entitlement/card is not cancelled. If their application is submitted after 31 December 2018, the system will automatically cancel a card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out during December 2018 and January 2019.

Community members, school groups, families and friends are encouraged to attend a commemorative ceremony and parade as members of the 4th / 3rd Battalion exercise their Freedom of Entry to the City on Saturday 17 November.

The event will start in MacCabe Park at 1pm where the 4th / 3rd Battalion will lay wreaths at the Cenotaph.

NSW Governor General David Hurley AC DSC [Ret'd] will attend the ceremony with Wollongong City Lord Mayor Councillor Gordon Bradbery AM prior to the march from the Cenotaph in MacCabe Park. The march will proceed into the City Centre, via Globe Lane and finish at the eastern end of the Mall at Kembla Street.

The ceremony commemorates the centenary of the end of World War I in November 1918.

The City welcomes the Battalion exercising their right to Freedom of Entry. The Battalion was granted Freedom of Entry in March 2004. The ceremony and parade on 17 November will recognise the vital role the 4th / 3rd battalion has played in the Australian defence forces.

Everyone is encouraged to come out and pay tribute to our local Battalion which has provided assistance to our defence forces for many years.

It is a good opportunity for all community members to see a traditional military parade through the heart of Wollongong where Battalion members will have their bayonets fixed, colours flying and music playing.

The 'Freedom of Entry to the City' is an honour that dates back to medieval times and was granted to military units that earned a city's trust. Citizens of these cities had the power to refuse entry to armed groups unless the citizens were confident of their own safety.

For more information you can contact Council's Customer Service on (02) 4227 7111 or visit our website at www.wollongong.nsw.gov.au
