(2nd Wednesday of the month)

7pm in the Staff Common Room

Term 4: 14th December

P & C dates for 2017

Term 1: 8th February, 8th March

Principal's report

As the year draws to a close, I have had a look back over the newsletters for 2016. It has been a fantastic year for student achievement through quality teaching. I thank our community for the ongoing support Bulli High School receives and look forward to 2017.

Year 7- 2017 Orientation Day

Last week we welcomed Year 7- 2017 students and parents to Bulli High School. The morning was very well attended and students were clearly excited about coming to their local high school. Our Peer Support leaders confidently led tours of the school and answered non-stop questions from our new students.

SRC Induction

It was an absolute honour to attend the SRC Induction of the 2017 SRC which includes our new student leadership team. Congratulations to all students. Thank you to Mr Brett Pember (SRC coordinator) for his leadership and commitment to student leadership.

Year 7: Imogen Fowles, Isabella Pickett, Evan Bissett, Hugo Szewcow

Year 8: Callum Conway, Finnegan Callow, Sinead Heap, Evie Fulton

Year 9: Louis Donovan, Zac Brett, Grace Myerscough, Dakota Tawse, Ellen Couch

Year 10: Katie Allison, Sienna Hawksley, Olivia Heathcote, Zac Joseph-Wood, Monty Josh-Jones

Year 11: Zoe Lewis(Captain), Hamish Bell(Captain), Kara Donald (Vice Captain), Jake Hodgson (Vice Captain), Maeve Couch (Senior Executive), Jared Roberts (Senior Executive).

Outstanding Year 8 VALID Results for 2016

This week the school received the results for the Science VALID tests sat by Year 8 students in November. Bulli HS students were above State Average in all areas which included Extended Response, Knowledge and Understanding, Planning Design & Conducting, and Problem Solving & Communication. The number of students in the top two bands for each area were also above state average. Credit must go to Mrs Julie Swain and her science teachers who have high expectations of their students and instill in them a desire to achieve. Printed individual student reports will also arrive in schools in early February.

If you are already registered you will continue to receive our e-news bulletins.

To register for e-news follow these steps:

- Go to the school's website:
www.bulli-h.schools.nsw.edu.au
- Click on tab 'Newsletters & notes'
- Hit subscribe
- Enter your name and email as requested and follow the prompts
- You also have the option to download the App facility to your device

Uniform Shop Hours

Tuesdays: 1.15pm – 3.30pm
Thursdays: 1.15pm – 3.30pm

School Office Hours

Mon, Tue, Thur & Fri: 8.30am – 3.30pm
Wednesday: 8.30am – 3.00pm

Student Absences

If your child is absent from school, please notify the office by calling 4284 8266 extension 4 and following the prompts.

Continued from previous page

This is an area of student wellbeing that we are committed to further developing.

In 2017, under Robyn Lang's guidance, the Developing Leaders Program will commence. Three teachers from the Seacliff CoS will be working together to implement a program that will involve students from Bulli HS and a small group from each primary school. The project is funded by the Thirroul Lions Club and allows time for the three teachers to get together to plan and organise the training days which will be held at BHS. Participating students will then lead a project in their respective schools. This is a fantastic opportunity to develop student leadership at Bulli HS in collaboration with our 9 partner primary schools.

Enrichment Class 2018

Students in Year 6, 2017 will be able to apply for one of two Enrichment classes for Year 7, 2018: The STEM class or the Arts class. We are introducing the second class in response to the continued demand and high calibre of past applicants. The two Enrichment classes will follow the same curriculum pattern as all students in Year 7, however each will have a unique focus which aims to further cater to the strengths and talents of students. Students will still sit the test and participate in the interview process. Application forms are available from Bulli High School Administration Office, the school website: www.bulli-h.schools.nsw.edu.au and our local Seacliff Community of Schools. For more information, see the flier later in the newsletter. We believe these changes will further enhance the Enrichment classes for students.

HSC Results

We eagerly await the HSC results which will be released to students and schools on Thursday 15th December. Students may contact the HSC Results Inquiry Centre – 1300 13 83 23 after results are released. The service offers a valuable opportunity for students to talk with experienced BOSTES staff who are able to answer questions about their HSC results or the systems behind determining and processing them.

Gonski Funding

Bulli High School has utilised the funds received this year to provide teachers with release time to support student learning, to purchase furniture for the library which has enhanced the reading area, purchase blazers which are readily available to all students representing the school, to fund a teacher mentor for our Aboriginal students, to fund a teacher to work with faculties to cater to the individual needs of students, to fund Student learning Support officers to work with individual and small groups of students, and to develop our school leaders through the Growth Coaching leadership course. We are currently reviewing the last year of our current school Plan 2015 - 2017 and hence our expected expenditure of the 2017 funding.

School Security

Bulli High School is recognised under the *Enclosed Lands Protection Act*. No one has the right to be on the school grounds without permission. As a community member we are asking for your assistance with keeping our school secure by:

- Remaining vigilant as you walk or drive past the school out of hours;
- Reporting any trespassing or vandalism by phoning School Security on the toll free number **1300 880 021**
- This includes any motorbikes or antisocial behaviour on our school ovals.

The Bulli Little Athletics Association which uses our school oval have recently upgraded the discus facility and this is now a fantastic facility that our students are able to access. We appreciate any support from our community to ensure this and other equipment is treated with respect and maintained in top condition.

Staff Farewells

This year we say goodbye to Mr Peter Nousis, Head Teacher HSIE, as he moves on to St George Girls HS as Head Teacher History. Mr Nousis will be missed for his passion for teaching and absolute commitment to his students.

We also farewell Mr Phillip Holmes (Science) and Mrs Karyn Evans (LOTE) who are both retiring from full time permanent teaching positions. Both Phil and Karyn have been long standing, highly regarded members of our school and we wish each of them all the best in their retirement and thank them for their dedication to Bulli HS. We may see Mr Holmes and Ms Evans back completing some casual teaching next year.

Parents & Citizens Association

Our P & C led by president Mrs Barbara Brown, has worked tirelessly throughout the year to support the school and I thank them for their efforts, time and commitment to supporting our students and staff. I look forward to working with this wonderful group again next year. In particular, I can announce that in 2017 the Inaugural Post Card & Art Show will be held over the June long weekend. More details will be announced in the new year.

Continued from previous page

Daily Break Times 2017

Next year there will be a slight change to our daily break times. We are swapping the short and long breaks so the first break, Recess, after Period 2, will be the longest at 45 minutes with Lunch after Period 4 being 25 minutes. In total students will still have the same amount of free time each day as they do now. This allows greater access to the canteen, and more time to get a drink, eat lunch and use the toilet facilities. Most students and staff eat breakfast before 7.30am each day, and at present have to wait until 1.20pm for a decent break. It will also mean students are outside for less time in the hotter part of the day.

The new bell times are:

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
ROLL CALL	8.50 - 9.00	8.50 - 9.00	NO ROLL CALL	8.50 - 9.00	8.50 - 9.00
Period 1	9.00 - 9.55	9.00 - 10.00	8.50 - 9.40	9.00 - 10.00	9.00 - 10.00
Period 2	9.55 - 10.50 *	10.00 - 11.00	9.40 - 10.30	10.00 - 11.00	10.00 - 11.00
RECESS 1	11.15 - 11.37	11.00 - 11.22	10.30 - 10.55	11.00 - 11.22	11.00 - 11.22
RECESS 2	11.37 - 12.00	11.22 - 11.45	NO RECESS 2	11.22 - 11.45	11.22 - 11.45
Period 3	12.00 - 12.55	11.45 - 12.45	10.55 - 11.45	11.45 - 12.45	11.45 - 12.45
Period 4	12.55 - 1.50	12.45 - 1.45	11.45 - 12.35	12.45 - 1.45	12.45 - 1.45
LUNCH	1.50 - 2.15	1.45 - 2.10	12.35 - 1.00	1.45 - 2.10	1.45 - 2.10
Period 5	2.15 - 3.10	2.10 - 3.10	1.00 - 2.30 #	2.10 - 3.10	2.10 - 3.10

*** ASSEMBLY - MONDAY AFTER PERIOD 2 (10.50 – 11.15)**
(If no assembly, same as Tuesday, Thursday, Friday)

SPORT - WEDNESDAY PERIOD 5

I wish all our students, staff and parents a wonderful and safe festive season.

School resumes for Year 7, 11 & 12 on Monday 30th January and then all years on Tuesday 31st January.

Chris Gregory
Principal

PRESENTATION NIGHT 2016

Monday 12th December, 2016

Our Annual Presentation Night will be held on Monday 12th December commencing at 7pm. The night is a great opportunity to recognise the fantastic academic, cultural and sporting achievements of our students. Letters have been sent to each award recipient. However, students are also encouraged to check the noticeboard outside Room 24 to see if they are receiving an award.

Award recipients are asked to meet outside of the Hall at 6:30pm. Full school uniform is to be worn.

We look forward to seeing as many family members and friends as possible.

Ms Wilson and Ms Gardiner
English Department

Deputy Principal's News

I'm amazed by how swiftly this year has passed. I hope for the students in my Year groups it has been a year of growth, learning and enjoyment. I look forward to working with you again next year.

I was fortunate to spend Thursday of this week with Year 10 on their Sydney camp. The students were having a wonderful time. Members of the community took the trouble to comment on how impressed they were with our students and their manner. Many thanks to the staff for their organisation and commitment.

Over the past few weeks I have read the Semester 2 reports for students in Years 8 and 10. Students, please remember that the reports are not just for you to show your parents. They are also for you to read. Please carefully consider the advice that your teachers have given to help you improve as you move into your next year of school in 2017.

Wishing you all a very happy Christmas and summer break. Stay safe in the sun.

Mr Chris Neave
Deputy Principal

Deputy Principal's News

House Winners

Some of you may have seen our new school house flags. The colourful banners are a great starting point for strengthening our school spirit. By the time you read this we will have announced our inaugural House Shield winners at the awards presentation. I am not letting the cat out of the bag yet but congratulations to all those who earned house points through their contributions to a positive school spirit.

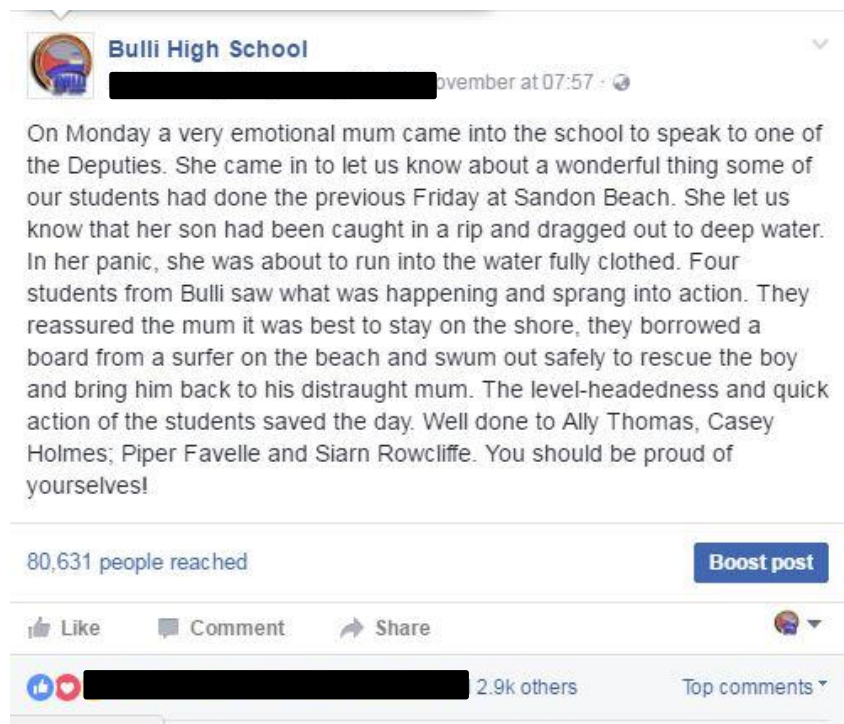

I hope you have a safe and happy holiday season.

Robyn Lang
Deputy Principal

Bulli Students Achieving Personal Best

As many of you are aware Bulli High School has a very active Facebook page where we share stories about the good things our kids are involved in. At the end of November, a very positive story about some girls in Year 9 and 10 was added. I am astounded by the response we got! It was amazing! The following screen shots show the impact it had being viewed by over 80,000 people and liked by nearly 3,000. You can see the original post for yourselves below but I would like to add my own hearty congratulations to the girls for a job really well done!

Congratulations to our strong U'15 Girls Waterpolo team representing Bulli High School at Raymond Terrace. Sarah Perram, Lara Brown, Piper Favelle, Olivia Fraser, Jasmin Petty, Scarlett Richards, Siarn Rowcliff, Tyler Scott, Sienna Stuart, Jade Swann

Science

The Illawarra Coal Science Fair was held on Wednesday 30th November and we had five entries. The students spent a lot of time preparing their display boards and reports and all of them are to be commended on their diligent efforts.

Congratulations to these students:

Year 8: Blake Douglas, Amelie Downie and Isabelle Savill-Brown

Year 10: Monty Josh-Jones, Clíodhna Maguire

Blake and Clíodhna received Highly Commended certificates and medallions, a fantastic achievement.

Thank you to Ms King who undertook the organisation and was also a judge on the day and also Miss Contarin who attended the Fair.

Both Year 9 Marine Studies classes went on an excursion to Bass Point on Friday 2nd December. They went snorkelling and also were able to learn about the heritage of the site whilst undertaking the Indigenous Cultural Walk. Thank you to Miss Contarin and Mr McKenzie for organising the day and also to Mr Deans who also accompanied them on the excursion.

The Science faculty are very sad that Mr Phillip Holmes has decided to retire from teaching in a permanent capacity after having taught at Bulli High School for over 30 years. He is still passionate about teaching and will continue to work as a casual teacher next year which means we won't be losing the expertise of an outstanding teacher and even more students will benefit from his enthusiastic lesson delivery. His replacement is Mr Nik Brankovic, an experienced Science and Physics teacher who will be joining us at the start of Term 1. He is very excited to be joining the Bulli HS staff and we will make him most welcome.

Mrs Julie Swain
Head Teacher

TAS

UoW awards STEM & Design & Technology Awards

Congratulations to our Year 12 Design & Technology students, Zahra Sassall & Tara Moodie who were recognised for their sustainable design projects @ the University of Wollongong Year 11 & 12 STEM awards ceremony on Friday 1st of December. The girls each pocketed a handy \$125 cash prize for their efforts! Congratulations also go to our Year 11 Design & Technology students, Billie Mellinz & Jesse Appleton, who were also recognised for their 'Illuminate' lighting projects taking home a \$100 cash prize each! Your teachers & school community are very proud of you!

Year 10 Food Technology Saving Chloe Saxby

These incredible young girls from Bulli High School did their own cupcake stall fundraising to cover the cost of decorating and creating this gigantic cake for the Saving Chloe Saxby's Rainbow Disco at Woonona Bulli RSL. Miss Constable did a fantastic job coordinating the team, as did all of the Year 10 Food Technology students who contributed to the effort.

Our State Champions Teaching Other Schools

On Wednesday the 7th of December our NSW Aeronautical Velocity Challenge State Champions headed down to Lake Illawarra to lead a training day for the school's Harbour Centre (Support Unit). The team did a fantastic job leading students (& teachers) through rocket design & launching & represented our school & region with great pride. Thank you once again for your

outstanding efforts.

F1 in Schools State Finals

Congratulations to all SIXTEEN of our students who recently represented our school at the F1 in Schools State Finals out at Western Sydney University. The event is a three day event and our students performed admirably. Special congratulations goes to 88 Miles Per Hour for attaining a wildcard through to the National Finals to be held in Adelaide in late February. This is the first time in the history of the competition a team from the Illawarra has qualified for this stage of the competition!

Mr Steve Delaney
Head Teacher

PD/Health/PE

Congratulations to all students who have enthusiastically participated in PDHPE and Sport throughout this term. There has been an overall improvement in students following correct procedures to leave early when required. Well done all!

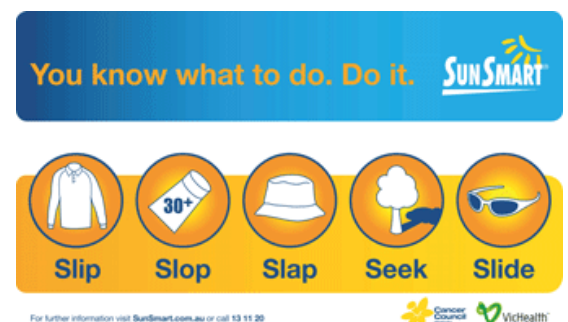

A special congratulations to Yvette Avery and Todd Methven on receiving Zone Blue Awards for athletics during the week. We are very proud of your efforts.

Please continue your healthy and active lifestyle over the school holidays. It is important that as you do this, you make safety your number one priority:

- ensure you are protected from the sun
- swim between the flags at patrolled beaches
- exercise with a friend/family member
- if you are out with friends always let your parents know where you will be and when you will be home.

Enjoy your summer break so you can be ready and refreshed for an exciting 2017!

Mrs Sarah Costabile
Head Teacher

Aboriginal Education

As we head into the summer break I would like to acknowledge some of the fantastic events that Bulli High School has been a part of in 2016. This year we have had both Indigenous and non-Indigenous students participating in school and community events, the community morning tea, AIME at the University of Wollongong, cultural excursions, development of the school mural and NAIDOC Week celebrations. To finish off the year, Bulli has participated in another two events that were amazing.

Koori STEM Camp

Two weeks ago, the Koori Stem Camp was run in conjunction with the Science and Engineering School at University of Wollongong and local Elders. Bulli High School had two students take up the opportunity to attend a three-night camp at Mt Keira Scout area. The camp was led by Elders that looked at traditional ways of applying Science which was then complimented with work in the laboratories at the university. The main focus was on strengthening Aboriginal Culture. Lachlan Tuck from Year 9 and Aaron Baird in year 10 attended the camp and both thoroughly enjoyed the experience. The students enjoyed STEM based activities, bushwalking, smoking ceremonies, storytelling by the campfire and visits to local Aboriginal sites.

Deadly Encouragement Awards

As mentioned in the last newsletter, the inaugural Deadly Encouragement Awards were held at Waniora Public School in November. This was a very special event that involved both primary and secondary schools from Wollongong to Helensburgh. Each school had the opportunity to select two students to receive an award. The focus was on education and the awards were given for a variety of reasons including performance, involvement or attendance. The two students from Bulli High School that received awards were Kara Tuck in Year 12 for her contribution to the Indigenous school mural and Liam Boyce in year 7 for excellent attendance. The awards were the idea of local Elder Uncle Richard but the planning in bringing this special event was done by the NIAECG.

Continued over page

Continued from previous page

A huge thankyou to the students that helped with the preparation on the day. Bulli High School catered for the event and we had some great helpers on hand to help with greeting and serving guests.

Kara Tuck of Year 12 is to be commended on her efforts as event photographer and finally, to the staff of Bulli High School and the wider community that helped to make this event a very special occasion I personally say THANK YOU.

I wish each student, their families and the wider community a very Merry Christmas. I look forward to another amazing year in 2017.

Leanne Hicks
Aboriginal Tutor, Mentor and HSIE Teacher

Crossroads

Recently Bulli High School hosted a 'Living Books' event at the library. This is a Wollongong City Council initiative whereby members of the community offer to share their diverse and fascinating life stories in open conversation with others. Year 11 students had preselected 2 'books' of whom they were interested in speaking to and these conversations took place on November 17. The following comments from the students reflect the powerful impact of the experience.

"I would highly encourage anyone to attend Living Books, as it was inspiring and enjoyable" Arabel Foster

"Living Books was a beautiful, enriching experience! I would recommend it to all senior students, as I know many of them would not take time to listen to these peoples' stories in any other situation" Cheyne

"Living Books allowed me to experience things through someone else's life. Through laughter and meaningful words, this has opened my eyes to new thoughts" Sam Osborn

"Truly inspiring stories from strong individuals. Would've loved to listen to even more living books!" Grace Garcia

"The living books not only discusses the powerful and eventful lives of certain individuals, it highlights important issues that we as humans must face in everyday life. 'Living Books' has shown me that no matter the situation you are facing during your lifetime, there will always be a light at the end of the tunnel. If you or anyone you know is involved in a difficult situation never be afraid to seek help! Thank you all very much" Ben Fulton

This event along with a Careers activity concluded the Crossroads programme for this year group. The students have participated in a range of activities throughout the year and judging by the evaluation of the programme, the best was certainly saved for last!!!! Thank you to all staff and students who have supported Crossroads in 2016.

Katie Pidhirny
Crossroads Co-ordinator

SRC News

I'd like to begin by thanking all students in the SRC for their efforts throughout the year, in attending meetings, forwarding their ideas and supporting our initiatives.

I'd like to acknowledge our outgoing members from both the junior and senior school. Thanks to Kasey Hargreaves, Ebony McGrath, Jack Gilfoyle, Olivia Fraser, Duncan Robinson and Ella Loomes for your service. I'm especially proud of the manner in which our departing seniors conducted themselves both during and following the Leadership Team elections, and wish to sincerely thank Emily McIntyre, Grace Garcia, Brooke Punnett and Samuel Oborn for their leadership, example and initiative.

Welcome to our new SRC members, beginning with our Leadership Team for 2017. This team comprises Captains Zoe Lewis and Hamish Bell, Vice-Captains Kara Donald and Jake Hodgson and Senior Executives Maeve Couch and Jared Roberts. These are dynamic and resourceful young men and women who, I'm certain, will carry the leadership torch with aplomb and set a fine example for the school to emulate.

We are fortunate to have new junior members joining us, too. These include Year 7 students Evan Bissett, Imogen Fowles, Isabella Pickett and Hugo Szewcow, who are all from 7C. Additionally, we are boosted by the arrival of Callum Conway, Evie Fulton and Sinead Heap from Year 8, Dakota Tawse from Year 9, together with Year 10 additions Sienna Hawksley, Olivia Heathcote and Monty Josh-Jones. I welcome you all, congratulate you on your election and commend you on your willingness to get involved.

Our *Need A Feed* initiative was an amazing success, and I'm so proud of the Bulli High staff, students and community for getting behind it in such numbers. We were issued an orange bin of similar size and design to the medium-sized red-topped household waste bins, and it was generally of insufficient size to cope with the influx of donations. On more than one occasion, we had to arrange for an extra pickup on top of the one per week we had bargained for, and in one instance I had to take a load myself to the drop-off point. What an incredible response! Bulli High School was elevated to the number one location for donations in the Illawarra during this time, which is a fantastic result. We plan to do it again in Term 4 2017, so please help us to help this wonderful charity again next year.

Overall, it has been another stellar year for the Bulli High School SRC. I wish all SRC members and their families a most relaxing and joyous Christmas, and hope you have a safe and enjoyable holiday.

Mr B. Pember
SRC Co-ordinator

Want to host a Japanese Student in 2017?

Once again Bulli High School will be hosting a group of 20 Japanese students from Furukawa Reimei Junior High School in March 2016.

We are seeking host families for the students from March 16th through to March 21st.

The Japanese students will live in your home and experience life with an Australian family with the aim of improving their English language skills.

You will need to have an appropriate private sleeping space (they can share a room with one of your children) and provide them with most meals. Some lunches will be provided by the school. While you don't need to do anything really special they will be with your family over the weekend and most family organise some sort of "tourist" activities.

You will receive a small fee (\$170) to help with the costs.

If you would like to be involved in this enriching experience, please ask your child/ward to come and speak to me to add their name to the host family list.

Regards,

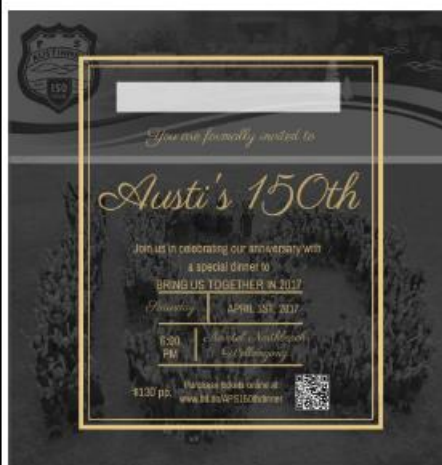

Robyn Lang
Deputy Principal

Austinmer Public School turns 150!

1st, 6th and 7th April 2017

Come and celebrate Austinmer Public School's 150th Anniversary. There is plenty to look forward to and you are bound to enjoy the many celebratory events we have planned for 2017. The celebrations commence with a formal dinner at the Novotel Northbeach on 1st April. This event includes pre-dinner cocktails, three-course meal, beverage package, live local talent and entertainment, raffles and silent auctions, significant guests and plenty of dancing and fun for everyone! Ticket purchases are available at www.bit.do/APS150thdinner for \$130 pp. The celebrations continue with our school event on 6th April. The whole-school will have the opportunity to reignite the memories of Austinmer Public School with a historic themed day. Finally, the celebrations conclude with an open day located at the school on 7th April starting from 12.30pm and a P&C afternoon fete from 2-6pm. There will be memorabilia available for purchase so that you can always remember this momentous occasion. Current and past students, staff and school families are invited to be part of our celebrations. We hope to see you there! For more information please visit our Facebook page www.facebook.com/APSturns150/ or Twitter #austiturns150. You can also contact the school for further details on 02 4267 1311 or email austi150th@gmail.com.

Year 7 Enrichment Class Program 2018

Placement Application Information

Students in Year 6, 2017 will be able to apply for one of two Enrichment classes for Year 7, 2018: The STEM class and/or The Arts class.

We are introducing a second class in response to the diverse learning needs and interests of our school community.

The two enrichment classes will follow the same curriculum pattern as all students in Year 7. Each will have a unique focus which will build on students' strengths and talents.

Students applying will need to demonstrate a commitment and motivation to their learning and will be able to support their application with a portfolio of work.

Application forms are available from the Bulli High School Office,
Bulli High School Website - www.bulli-h.schools.nsw.edu.au
and all member schools of our local Seacliff Community of Schools.

Enquiries can be directed to Ms Julie Swain,
Head teacher Science & Enrichment Class Co-ordinator.
Email: julie.swain@det.nsw.edu.au Phone: 42848266
